HIGH IMPACT LED LIGHT 20W

NEW

SMALL AREA LED WORK LIGHT

Bergen's newest addition to its extensive line of Temporary Lighting solutions is the LL20. This 20watt, 2,500 lumen work light is durable & work-ready for a variety of small work space applications including mining sites, vehicle maintenance & storage areas.

Recreational uses include but not limited to shed & tent lighting, additional garage lighting & studio lighting.

The LL20 is an energy saving and long life solution to replace traditional HID & CFL work lights.

AVAILABLE IN 20W

- 10ft. 14/3 SJT W power cord
- Easy portability, light weight
- All-Weather Applications, IP65
- ETL & OSHA Compliant
- 3 Year Warranty
