NEW Temporary High Bay Job-Site Lighting

Bergen's construction grade Temporary High Bays are designed for the job site but offer portability that make it easy to use for do-it-yourself and FarmAg applications. The K4 is available in 100 watts with a **35ft 18/3 SJTW daisy chain power cord**. It includes a stainless steel reinforced cage, heavy-duty carabiner hook, and 1ft power cables.

Bergen Temporary High Bays are an energy saving and long life solution to replace traditional HID & CFL work lights.

FEATURES

- 18/3 SJTW Cord - 1' Daisy Chain & 35' Power Cord
- Heavy-duty impact resistant housing
- Indoor/Outdoor use
- 50,000 hour lifespan
- 360° lighting coverage
- OSHA, NEC and cETLus compliant
